Belton and Stillhouse Hollow Lakes hold information exchange meeting

The U.S. Army Corps of Engineers at Belton and Stillhouse Hollow Lakes will hold an information exchange meeting at 3 p.m., Friday, May 19, in the conference room at the Corps' office at Belton Lake.

Corps officials will present an update on both lakes, including information about recently completed recreation facilities, tree mitigation and wildlife management efforts. They will also discuss the Corps' water safety program and plans for the coming year.

All interested lake visitors, local residents and business representatives are invited to attend. For more information, call the Corps' lake office at 254-939-2461.
